(CPE) brings a great opportunity to strengthen your skills and to make your dreams come true by attending Graduate Record Examination (GRE) preparatory course for Study Abroad Aspirants.

The GRE is an important step in the graduate school or business school application process. The GRE is a multiple-choice, computer-based, standardized exam that is often required for admission to graduate programs and graduate business programs (MBA) globally.

The GRE measures a student's basic abilities in Quantitative Reasoning (math), Verbal Reasoning (reading), and Analytical Writing (essay), with question types designed to feature the kinds of thinking required in graduate and professional school.

GRE: Test takers can take the GRE up to 5 times in a 12-month period

If you are ready to take a great leap towards immense opportunities by pursuing the GRE course, then it is necessary to check and go through the registration process at the earliest as limited seats are available.
